

Reading

Our Whole Class text this half term is 'Secrets of the Sun King' by Emma Carroll. This is an amazing adventure story about a mysterious package that holds the key to a lost tomb.

Art

In our art lessons, we are going to be making our own papyrus! We will then be exploring hieroglyphics and using them to write messages. We will explore the skill of printing and print hieroglyphics onto our papyrus.

Music

In music this half term we will be doing a Reggae unit based on 'Three Little Birds'

R.E

We will be returning to the Christian religion and looking at Christianity Beliefs and Practices.

PE

In PE this half term we will be learning the skills and techniques for striking and fielding games and also doing fitness and circuits.

English

In writing this half term, we will be completing some narrative writing on 'What did Ancient Egypt look like?' We will also be writing recounts of our trip to Royal Cornwall Museum later on in the term.

Year 5 Summer 2 Pharaohs

PSHE

In PSHE our Jigsaw piece is 'Changing Me' We will be exploring the idea of self-image and then learning about puberty in girls and boys. We will be learning about conception.

French

In French our topic is all about numbers. We will be recapping how we count up to 30 and then learning how to count beyond a hundred. We will be able to say dates and when we were born.

Maths

In Power Maths we will be learning about Geometry and the properties of shapes. We will recognise and draw parallel and perpendicular lines. We will be studying measure and converting units.

Science

Our science topic this half term is a return to properties and changes of materials. We will be looking at dissolving, mixing and changes of state that are reversible and non-reversible. We will also explore how some materials when mixed make a new material.

History

We will be delving into the Egyptians this term looking at Howard Carter's discovery of Tutankhamun's tomb. We will be studying the pyramids and how the Egyptian belief in the afterlife affected their culture.

Computing

We will be using Purple Mash to explore Concept Maps. These will help us to display our thoughts and ideas using a computer.
